A stylized, colorful illustration of a cityscape. The background is a light green sky. In the foreground, there are several buildings. On the left, a tall yellow building with green square windows. In the center, a blue body of water with a pink, spire-like structure rising from it. To the right, more yellow buildings with green windows. In the foreground, there are orange buildings with pink square windows. At the bottom right, there is a traditional Korean pavilion (Jeonjung) with a blue roof and pink walls. The text 'Info-graphics' and 'South Korea' is written in a bold, black, sans-serif font on the left side of the image.

Info-graphics

South Korea

Introduction

This info-graphics book offers a visually engaging and informative look at South Korea's history, culture, geography, and economy. Using icons and simplified illustrations, it traces key events such as the Japanese occupation, the Korean War, and rapid industrialization. It also highlights some of South Korea's major cities, geographic landmarks, and leading imports/exports, providing essential demographic and geographic insights. This book provides just a glimpse into the country's remarkable growth and transformation.
